The Burgess Animal Book for Children - Thornton W. Burgess

**The Burgess Animal Book for Children
Thornton W. Burgess**

From the armadillo and musk ox to the walrus and manatee, this book introduces you to the many mammals who live and play throughout North America. Old Mother Nature holds daily lessons for Peter Rabbit and all the other little folk of the Green Forest. Where do these animals live? What do they eat? What do they look like? So many questions with lots and lots of answers. (Summary by Jude Somers)
